Founded in 2013 by the Gussalli Beretta Group, [Forte Masso](#) is located in the heart of Langhe, in the municipality of Monforte d'Alba. Its vineyards are located on the Monforte side of the Castelletto. Five of the six hectares of vineyards are dedicated to Nebbiolo for the production of Barolo from the historical vineyard, Pressenda, within the Castelletto cru. While the **Barolo Castelletto Riserva DOCG** demonstrates the depth and structure of the cru, **the Langhe Nebbiolo DOC** exhibits freshness and approachability.
